

ERIC'S GLOBAL WARMING

Maze

2 Did You Know:

We need greenhouse gases in our atmosphere, because they trap the sun's heat and help warm the Earth. However, too many greenhouse gases in our atmosphere are causing the Earth to warm up too much.

3 Secret Word Scramble:

Unscramble the letters and spell out the secret word.

e t e m r p r t a u e

t

Hint: The Earth has a fever. (temperature)
